## 2026 GENERAL GYM CLASSES

### What is the General Gym program?

General Gym is a 55 minute per week class for boys and girls from Prep to Grade 5. General gym gives a solid base of skills and physical preparation to move through the Eclipse programs, and will also enhance any sport in which a child participates. The General Gym program unitises all equipment including bars, beams, trampolines and foam pit, and teaches skill such as handstands, cartwheels, swings, safe landings along with various locomotor activities on beam. General Gym is suitable for primary school aged children.

### Uniform requirements

There is no set uniform at this level, but children need to wear clothing suitable for gymnastics activities. Shorts/leggings and T-shirt, or a leotard is perfect. The class is done in bare feet. All gymnasts must bring a named drink bottle to class (water only).

### Tuition fees

Fees are charged annually from your child's first class to their final class for the year, and are paid via monthly direct debit on the 15th of each month using your nominated credit card. Fees are paid slightly in advance, so there will be an initial upfront payment when you first start. You can set up your direct debit with our reception staff either in person or over the phone. Enrolments can be cancelled at any time with 14 days written notice.

### Registration fees

The registration fees are paid per calendar year. Club registration covers certificates, club T-shirt, equipment maintenance and administration. Gymnastics Victoria registration includes accident insurance. Please note that registration fees are non refundable once the gymnast is registered with Gymnastics Victoria.
