

Activity Dice

Cut it out, roll the dice, do the activity!

In this pack you'll find...

- Four different themed **Activity Dice** templates to have some fun with:
 - Handstand activities
 - Fitness activities
 - Rocking and rolling activities
 - Cartwheel activities
- 1 x **NUMBERS** dice template
- 1 x **SECONDS** dice template

What you'll need to make the dice:

- The dice templates printed out
- Scissors
- Sticky tape or glue

How to make the dice:

- Print out the templates
- Cut along the **SOLID** black lines
- FOLD along the dotted black lines
- Use the tape or glue to stick the small side tabs to the dice

How to use

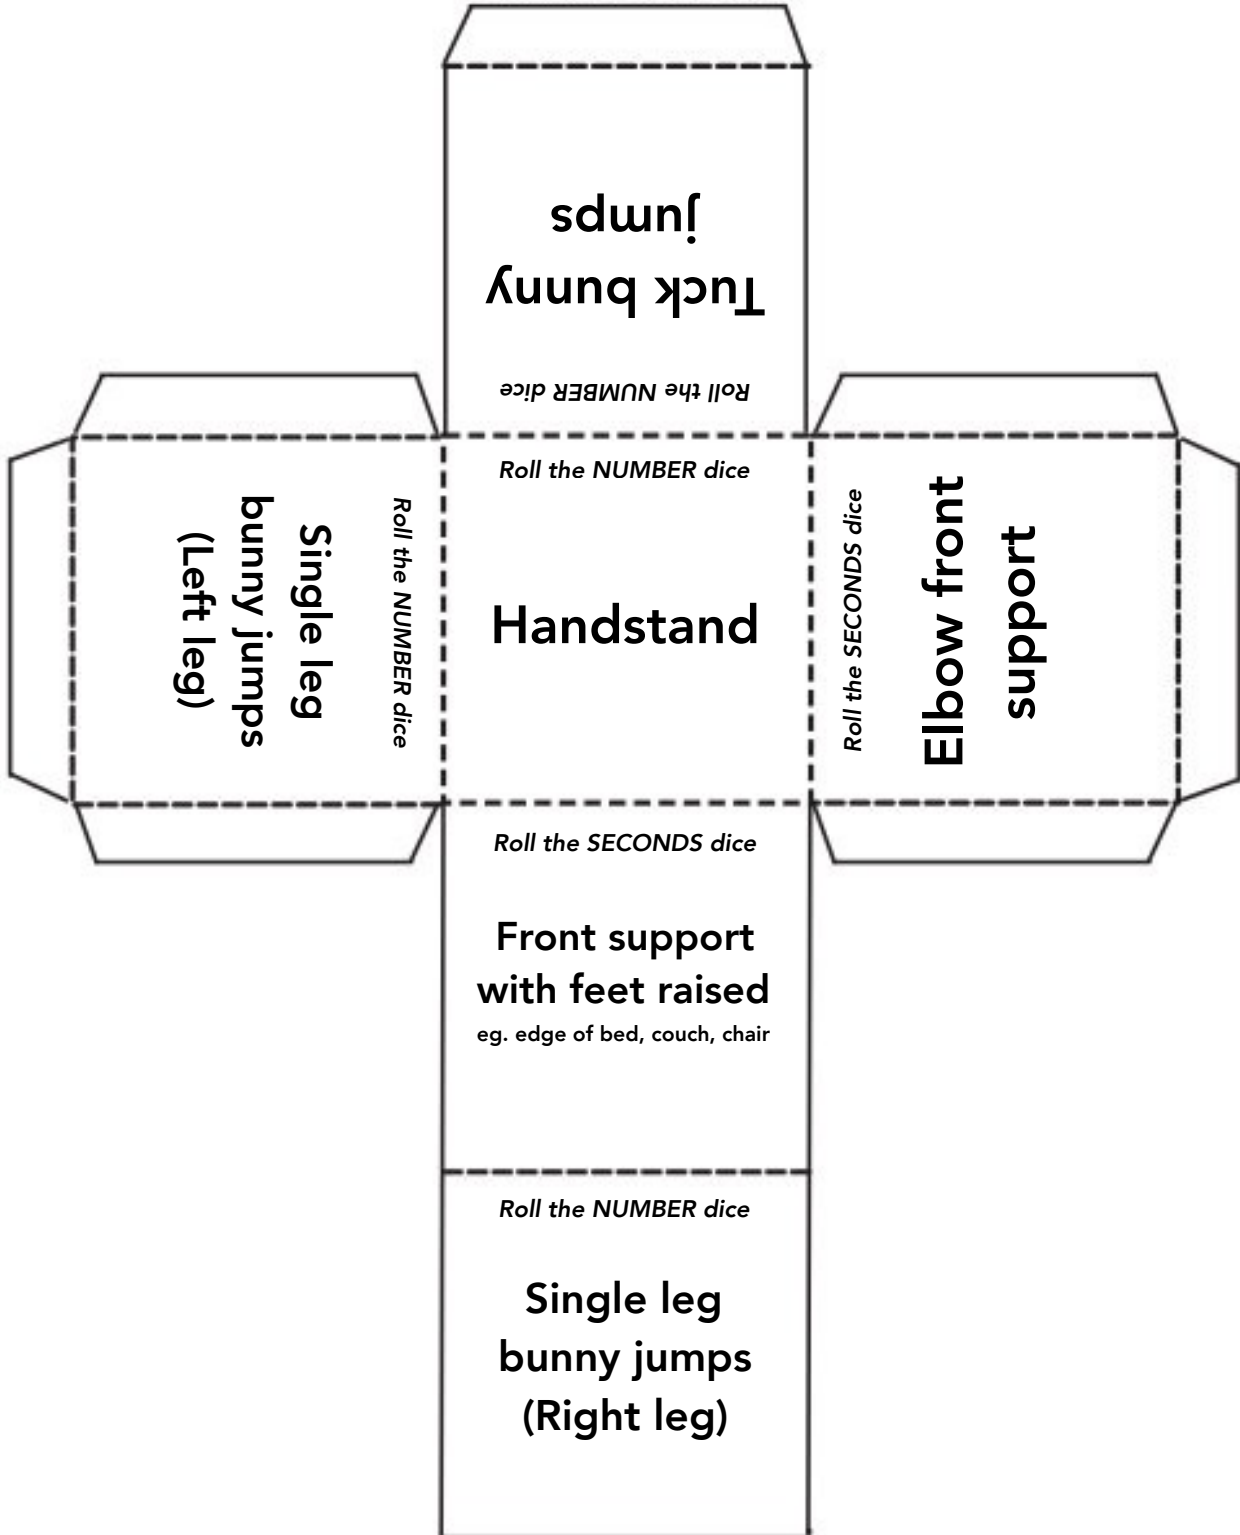

**** We have come up with a way to use the dice but be creative and use your imagination to come up with your own game or way to use them!**

- To start, you'll need one of the **Activity Dice**, the **NUMBERS** and the **SECONDS** dice.
- Roll the Activity Dice first. Above the activity it will say to roll either the numbers or the seconds dice.
- If it says...
 - ➔ **Numbers Dice** - Roll the numbers dice and do that many of the activity on the Activity Dice.
 - ➔ **Seconds Dice** - Roll the seconds dice and do the activity on the Activity Dice for that many seconds.
